

Homestay Provider Agreement

I have read the information contained in the Homestay Information Handbook which details the expectations of Homestay Parents as follows:

We expect Homestay Parents:

- To provide 3 meals a day and appropriate snacks (including any takeaways or meals out as a family at the parents' expense)
- To attend parent evenings and International functions
- To care for the student as you would your own child – to act as a reasonable parent and to support the student with school, sport and community activities
- To provide a warm, comfortable room with study facilities inside the house
- To encourage the student to participate in the family's activities (eg. chores, family outing, picnics)
- To set reasonable rules
- To supervise any parties students hold
- To set a reasonable curfew at weekends and time to be home after school
- To provide internet access for the student
- Discuss their rules and expectations with the student – don't assume anything
- Host parents must not conceal ANY breaches of the students' contract with Motueka High School but report them to the Homestay Manager immediately
- To agree to be police vetted by Motueka High School
- Contact the Homestay Manager if circumstances change within the homestay carers family situation, including boarders and visitors staying longer than a weekend
- Please advise home-stay manager of any overnight trips via email or text
- Hosting an international student where there are other paying guests, (eg: Air BnB), is strictly by approval only

The Homestay Parents can expect the school to:

- Provide regular contact through the Homestay Manager
- Provide regular newsletters
- Provide support and quick action in case of problems
- Provide support for school rules
- Provide information for all queries that crop up (eg. holiday tours etc)

Please note: If Homestay Parents are negligent in their care, the student/s will be removed from the home – they will not be offered the chance to re-host.

Remuneration : The current homestay fee is \$225 per week. If the student is away, a payment of \$20 per day/ \$120 week is to be reimbursed to the student. If the student is required to be in temporary accommodation \$30/day is to be paid by the host family to the temp homestay carer.
